Classroom Needs

- Old stationary or cards
- Playing cards
- Items for our class auction

This week in 4th grade:

Book Fair—Tuesday, April 4 @ 10:45-11:05

We will be attending the Book Fair on Tuesday at 10:45. If you are sending cash in with your child, please place it in a labeled Ziploc or envelope so it does not get lost.

Play60 Permission Slip—

Please return the permission slips as soon as possible (**before April 5**). **There are TWO sheets to sign.** If you need another copy please let me know. It will take place on **April 20**.

Extra Credit Opportunities—

Successful completion of the extra credit will be awarded a formal grade of 100 for the coinciding subject. **ALL extra credit is due by Tuesday, April 4.** Any turned in later will not count towards this grading period.

EOG Testing will be **May 24 & 25**. Please add the dates to your calendar and avoid scheduling appointments for your child on those days! :-)

Upcoming Tests	1

This week in 4th grade:

Reading—

We are continuing our unit on reading technical, scientific, and historical texts.

Writing—

We are completing our boards this week on Discovery Education. Students will be presenting their boards in class.

Social Studies—

After the unit on rocks and minerals in science, we will come back to study the American Revolution including important battles in the country and North Carolina's role in the Revolution.

Science—

This week will then begin learning about the types of rocks: sedimentary, metamorphic, and igneous. We will also explore the rock cycle.

Math—

We are working on problem solving skills this week. We will be focusing on using the C.U.B.E.S strategy to solve multi-step word problems. The word problems will use a variety of operations. We are also taking an online assessment on Wednesday. The assessment uses problems from released math EOGs.
