Trash to Treasure

Find at least 5 items that would normally be recycled or thrown away at your house. Create! Be creative! Bring in your new-found "treasure" to share.

An Artistic Eye

Create a piece of art. It could be a drawing, painting, sculpture, song, dance, etc. Share your art with the class.

Research

Conduct research and create a Google Slide with the information you found. You can research any interest you have: place to visit, animal, well-known person, historical event, etc. Share with class.

Summer Book Bucket List

On our Google Classroom page, create a bucket list of books you hope to read this summer. You should have at least ten books on your list. Bonus points for including the author!
