4th Grade Curriculum	1
Important Dates	1
Upcoming Tests	1
What We Are Learning	2

### Classroom Needs

- Old stationary or cards
- Playing cards
- Items for our class store

## This week in 4th grade:

### Fieldtrip to Raleigh

Please return permission slips and fieldtrip money as soon as possible!

### **MARCH MADNESS Extra Credit Opportunities—**

We are having a FRIENDLY March Madness bracket competition in our class. This is just for fun and they are not required to participate. :-). However, in the theme of March Madness, I am also offering an extra credit opportunity for each subject. Your child may choose to complete as many as he/she likes.

**Successful completion will be awarded a formal grade of 100 for the coinciding subject.** All extra credit is due by **Tuesday, April 4**. Any turned in later will not count towards this grading period. Please tell your child to let me know what he/she would like to complete and I will give them the necessary handouts.

### Important Dates

March 30—End of 3rd Quarter  
March 31—Workday  
**April 4—EXTRA CREDIT due** (in order to count towards 3rd quarter grades)  
April 3-5—Book Fair  
April 4—Spring Pictures  
April 7-17—Spring Break  
April 20—Play 60  
May 9—Raleigh Fieldtrip

### Tests

**Friday**—End of Unit Fraction Test  
**Friday**—DLI Week 16 Assessment, Spelling Test  
**Wednesday, March 22nd**—Poetry/Play Unit Test

## INSIDE THIS ISSUE:

4th Grade Curriculum	1
Important Dates	1
Upcoming Tests	1

## This week in 4th grade:

### Reading—

We are reviewing figurative language terms we have previously learned and learning how to identify the theme of a poem.

### Writing—

We are beginning an informational report on one of North Carolina's historical landmarks, places, symbol, or people. Students will be creating a "board" using Discovery Education. This is an online tool where students will be able to incorporate media into their report.

### Social Studies—

After the unit on rocks and minerals in Science, we will come back to study the American Revolution including important battles in the country and North Carolina's role in the Revolution.

### Science—

We are beginning our new unit in science on rocks and minerals. This week we are learning about weathering, erosion, and deposition.

### Math—

We will learn how to multiply a mixed number by a whole number. We will also be reviewing previously learned concepts in the fraction unit in preparation for the unit test on Friday.
